

Community

WILSON TURNER KOSMO

LLP

The firm takes great pride in supporting employee initiatives and involvement in community activities where they participate as leaders, contributors, sponsors and volunteers. Our involvement includes support to our schools, youth organizations, research and other health related causes, diversity and inclusion, poverty, legal aid, animal welfare and many other causes and events. Wilson Turner Kosmo has a long standing commitment to our surrounding community. The firm is committed to supporting our

WILSON TURNER KOSMO

LLP

employees involvement in community service activities and organizations.

Employees have also spearheaded other successful charitable drives within the firm, including a drive for active service members obtaining donations to fill holiday stockings and donations for snack purchases within the firm supporting breast cancer research and the United States Organizations (USO).

The firm and our employees are involved as leaders, contributors, sponsors and volunteers of numerous community and charitable causes. Here is a sampling of the organizations and events we support:
